7. Damaged Goods or Risk of Loss: Shall Be on The Buyer From The Time Seller Delivers The Goods to a Carrier for Shipment to Buyer, Without Reference to The Type of Shipment. Seller Shall Not Be Liable for Any Loss or Damage Sustained In Transit. Buyer Must Assert Claims for Damages In Transit Against The Carrier.

8. Returns: You May Return Any Kit or Parts Ordered, But Not Parts of Kits, for Up to 30 Days After The Original Ship Date. All Returns, However, Must Be Made Within The 30 Days From Receipt. This Includes Flawed or Incorrect Merchandise. No Exceptions.

Any Merchandise to Be Returned to Absolute Must Have a Return Authorization Number Issued By Our Shipping Dept., Which Can Be Reached During Regular Working Hours At (928) 420-1254. The Return Policy is As Follows:

1. You Must Be Issued a *Return Authorization Number*.

2. You Must Return Merchandise to Us Within 30 Days of Receiving a Return Number. The Number Must Be Visible on The Outside of The Returning Container.

3. All Returns Must Be "Pre-Paid Shipping" & Fully Insured, As We Cannot Accept Collect Shipments.

4. In Cases Where a Return is Due to Our Error, We Will Refund "Pre-Paid" Freight Charges. After 30 Days All Sales Are Final.

5. Merchandise Shipped In Error, or Has Flaws Due to Craftsmanship or Defects In Materials, Will Be Immediately Exchanged or Refunded At No Charge. Merchandise Returned for Any Other Reason Will Be Charged a 20% Restocking Fee 1-30 Days From Original Ship Date. Product Must Have Been Purchased Directly From Absolute & Accompanied With a Copy of The Purchase Invoice.

9. Refused Shipments: Any Customer Who Refuses a Delivery of an Order (Damaged Shipment Excluded) Will Be Required to Pay The Additional Return Freight Charges. These Charges Must Be Paid In Full Before Any Future Orders Will Be Shipped.

10. Back Orders: We Maintain a Back Order Program. If Your Full Order Cannot Be Shipped In Total, We Will Place The Balance of Your Order Into Back Order Mode.

11. Tax: In Addition to Quoted Purchase Price, Buyer Shall Pay Any Tax Which Seller May Be Required to Pay or Collect Under Any Existing or "Future" Law, Upon or With Respect to The Sale or Purchase of Absolute Merchandise.

12. Manufacturer S Right Retained: Absolute Reserves The Right to Make Changes In Design or to Make Additions to or to Improve Upon Any Product At Any Time Without Incurring Any Obligation Whatsoever to Install The Same or Improve Upon Products Previously Manufactured.

13. Notice to All Buyers; Absolute Cannot Control The Application, Installation, Modification or Utilization of Our Products By Our Customers. Accordingly, No Express Warranties Are Given & The Company Makes No Warranty of Merchantability. The Products Are Sold on an "As is" Basis.

14. Specifications: The Product Shall Meet Seller S Standard Specifications Unless Buyer, In Placing The Order, Makes a Written Request for Reasonable Variations & Seller Expressly Agrees, In Writing, to Make Such Variations.

15. Testing: Buyer, In Addition to The Purchase Price, Shall Pay All Cost Incurred In Connection With Any Testing to Determine Whether The Goods Meet The Particular Specification of The Buyer. Buyer Must Specify Such Special Testing Requirements At Time of Order.

16. Patents: Buyer Shall, In Respect to Goods Packaged By Seller In Accordance With Designs, Processes, Formulas or Supplies, Determined, or Requested By Buyer, Defend, Indemnify, & Hold Harmless, Seller, it's Successors & Assigns From & Against Any Claim, Loss, Damage or Expense, Including Attorney S Fees, Arising Out of Any Infringement or Claim of Infringement of Any Letters Patent, Trade Name, Trademark, Copyright, or Trade Secrets By Reason of The Use of Such Designs, Processes, or Formulas. Seller Shall Promptly Notify Buyer of Such Claim or Infringement No Returns Will Be Accepted After 30 Days From Shipping.

37 - 39 CHEVY FIREWALLS & TECH INFO, COWL VENT FILLER, COWL REPAIR, & ROCKER PANELS

The Set-Back Information Provided on This Page Is For your Information

These references are to help you decide which firewall kit will best fit your particular application. There are many factors which will affect your choice of kits; engine set-back, radiator core thickness, air conditioning or super chargers. You need to determine the length of the engine package you intend to install and then figure out the distance you have from the back of the radiator core to the stock or existing firewall. To do this you will know how much extra room or set-back you will need. The firewall only fits in one place in the body, but your engine can be moved forward or backward as much as needed to obtain proper clearances. If you have any questions, please call our customer service dept. @ (928) 420-6346.

737105 37-39 CHEVY FIREWALL
Small Block

\$335.00

737107 37-39 CHEVY FIREWALL
Big Block

\$345.00

Measure the set-back
from the face of
the firewall back as
illustrated.

737105 1937-39 CHEVY FIREWALL
(2" SET-BACK) Small Block

737107 1937-39 CHEVY FIREWALL
(4" SET-BACK) Big Block

NOTE: These firewalls are designed for the most popular engine-transmission conversion which is Chevy engine and GMC turbo transmission. Any other engine installation (Ford, Mopar, etc.) may require rework of the bell housing area of the firewall.

737133 CHEVY INNER COWL
REPAIR KIT - RH

\$90.00

737134 CHEVY INNER COWL
REPAIR KIT - LH

\$90.00

Any vehicle's body is only as strong as it's inner structure. It does not pay to take new sheet metal and put it over the top of an old rusted sub-structure. Before you put your new floorboards in, make sure your inner structure is solid. For the rusted out inner cowl areas, we make an inner cowl repair kit that is a must before you install a nice floor. RH or LH can be purchased separately.

737200 CHEVY COWL VENT FILLER

\$22.00

Tired of your original cowl vent leaking water or pulling dust, smoke, etc.? Do you just want to smooth up the cowl area? Bitchin Parts, makes a filler panel that might be just what you need. These 16 gauge steel filler panels come just a tick larger so they can be tuned for the perfect fit. The also have a beveled edge so the weld area is down, making it easier for a flush fit.

737111 ROCKER PANELS
Coupe, 2-Door Sedan or
Sedan Delivery - RH
737112 ROCKER PANELS
Coupe, 2-Door Sedan
or Sedan Delivery - LH

\$145.00

737201 ROCKER EXTS.
4-Door Sedan - RH
737202 ROCKER EXTS.
4-Door Sedan - LH

\$72.00

Typically if the floorboard goes, so do the rockers and if the floor goes, the body mounting brackets do too. Bitchin Parts, Inc.® makes Rocker Panel Kits that come w/both the Inner and Outer rockers. Extensions can be added.

4-Door Sedan
Rocker Panels - #737111 &
737112
Extensions - #737201 &
737202

37 - 39 CHEVY FRONT & REAR FLOORBOARDS & TECHNICAL INFORMATION

The 1937-39 Chevy floorboards were designed & built in sections for the ease of installation and to allow the customer to purchase sections that you need. The illustration (below) shows the typical 37-39 floorboard kit breakdown. The Sedan floor comes in (4) basic kits. The coupe has (3) basic kits. The Bitchin Parts, Floorboard Kits are made of 16 gauge cold rolled steel and the formed parts are 18 gauge. Each kit comes complete with step-by-step instructions.

SEDAN FLOOR PAN ILLUSTRATION
(4) Individual Parts

COUPE FLOOR PAN ILLUSTRATION
(3) Individual Parts

737100 CHEVY TRANNY COVER

If you want to use your old firewall & floorboards, but have a problem with the automatic transmission cover not clearing the tranny, Bitchin Parts, makes an 18 gauge cold rolled steel transmission cover and it's a direct bolt-in part and will clear the auto transmission with ease.

37-39 Chevy Car Front Floorboards available in 3 Kit Sizes and comes with A floorboard stiffener @ the rear of battery box opening forward to the firewall. Includes master cylinder access door kit, new body mounting brackets and complete instructions. These front floor kits will all clear automatic transmissions. For technical questions, please call (928) 420-6346.

737126 CHEVY FRONT FLOOR KIT Small Block

This kit is used with Bitchin Firewall 737105

737129 CHEVY FRONT FLOOR KIT Big Block

This kit is used with Bitchin Firewall 737107

737118 CHEVY FRONT FLOOR KIT Universal

This kit is used with your Stock Firewall

We manufacture rear floorboard kits for Sedans and Coupes. Bitchin Parts kits have been designed to make your car more adaptable to the modern seats and drive trains. They will splice right into our front floorboard kits so you have a new floor from the firewall to the start of the trunk floorboard. All Kits complete new body mounting brackets & instructions. For technical questions, please call (928) 420-6346.

737141 CHEVY REAR FLOOR KIT Sedan - Section 1

737146 CHEVY REAR FLOOR KIT Sedan - Section 2

737175 CHEVY REAR FLOOR Coupe

NOTE ON COUPE FLOORBOARD KIT - (1 kit) From the rear of the Bitchin Parts Front Floorboard Kit to the front of the trunk compartment. This kit has been redesigned to give you a nice flat floorboard from front to rear, making it easier to install the seats of your choice. Made of 16 & 18 gauge cold rolled steel.

37 - 39 CHEVY TRUNK FLOORBOARDS

Bitchin Parts makes (3) kits for the Sedans and (2) kits for the Coupes. The 1937 Sedan frame rail is shaped differently than the rail in the 1938-39 Sedans (making the floor where the gas filler neck is located unique in the 1937 models). After surveying several car builders throughout the country, we found that most people like to remove the gas tank from inside the car and use a Sedan type in the rear. Therefore, we designed our Coupe trunk floor higher like a Cabriolet so you can mount a tank under it like a Sedan. This removes a dangerous situation from inside your car and gives you extra room. Each kit is made of 16 gauge steel and comes complete with step-by-step instructions.

737152 TRUNK FLOORBOARD
37 2 Door Sedan

\$440.00

737160 TRUNK FLOORBOARD

740129 40 FIREWALL LOWER BODY SUPPORT

Sometimes the body support brackets below the firewall collects a lot of moisture and they rust out. At the same time we designed our firewall, we also designed and built a new smooth kit to replace the lower body supports. This kit will not only rid your car of rust, but the smooth look is much cleaner in appearance than the stock part with ribs and holes. They are made of 16 gauge steel and sold in pairs.

740111 40 COWL VENT FILLERS

Tired of your original cowl vent leaking water or pulling dust, smoke, etc.? Do you just want to smooth up the cowl area? Bitchin Parts makes a filler panel that might be just what you need. These 16 gauge steel filler panels come just a tick larger so they can be tuned for the perfect fit. They also have a beveled edge so the weld area is down, making it easier for a flush fit.

NOTE: These firewalls are designed for the most popular engine-transmission conversion which is Chevy engine and GMC turbo transmission. Any other engine installation (Ford, Mopar, etc.) may require rework of the bell housing area of the firewall.

Bitchin Parts For
Bitchin Cars

\$22.00

740111 COWL VENT FILLER
1941-48

When Bitchin Parts designed our firewall, we also built a new smoothie kit to replace the lower body supports. These are great for when the body support brackets below the firewall collect a lot of moisture and rust out. They give a much smoother look. The 1941 brackets are made of 16 gauge steel and the 1942-48 are 12 gauge steel.

742152 41-48 ROCKER PANEL KIT
Front - LH

The rocker panel area on these cars have a tendency to rust out or to have sustained damage through the years from rocks or curbs. We offer rocker box kits for Coupes, Convertibles, 2-Door Sedans & Sedan Deliveries. This panel is not just an outer skin, it is a complete box assembly. There are (2) kits. The front kit extends from the cowl post all the way back to approximately 1" behind the door opening. The rear kit goes from the rear of the front kit to the rear wheel well. These are smoothie kits. There are no pre-punched holes for mounting moldings or running board rubber. The boxes are made out of 16 gauge cold rolled steel and come complete with new body mounts, instructions for easy installation.

Bitchin Parts manufactures Front Floorboards kits for the 41-48 Chevy Convertible. The Convertible is a rare item, but preferred by the Street Rodder. The Convertible frame has a huge center cross member which our floorboards are designed to clear. Each kit comes complete with easy-to-follow instructions. Please call (928) 420-6346 with any questions.

REAR FLOORBOARDS - CHEVY COUPE & SEDAN

\$450.00

**742140 41-48 REAR FLOOR - COUPE
Section 1**

\$425.00

**742142 41-48 REAR FLOOR - SEDAN
Section 1**

\$395.00

**742143 41-48 REAR FLOOR - COUPE
Section 2**

\$395.00

**742144 41-48 REAR FLOOR - SEDAN
Section 2**

Bitchin Parts manufactures Rear Floorboard Kits for Sedans and Coupes. These kits have been designed to make your car more adaptable to modern seats & drive trains. They will splice right into our Front Floorboard Kits giving you a new floor from the firewall to the start of the trunk floorboard. These kits come complete with new body mounting brackets & instructions.

CHEVY REAR FLOORBOARDS - CONVERTIBLE

\$660.00

742185 41-48 REAR FLOOR - CONV.T.

\$360.00

**742188 41-48 REAR FLOOR - CONV.T.
Section 2**

The 1941 Chevy Convertibles are different from the Sedans & Coupes in the rear section. We divided the rear floorboard into two sections so you may order only the kits that you need. By purchasing the Front Floorboard Kit, Section 1 & 2 of the Rear Floorboard Kits & the Trunk Floorboard, you can have a complete new floorboard for your convertible.

CHEVY TRUNK FLOORBOARDS - COUPES, SED. & CONVERT.

\$370.00

**742201 41-48 TRUNK FLOOR REPAIR KIT
COUPE, SEDAN & CONVERTIBLE**

The 1941-48 Chevy Trunk Repair Kit is made out of 16 gauge cold rolled steel. These kits come complete with step by step instructions. By removing the spare tire well out of the Sedan trunk, the Coupe & Sedan Kits are the same. (Kit also fits Convertible)

CHEVY TRANNY COVER

\$170.00

742100 41-48 TRANNY COVER

If you want to use your old firewall & floorboards, but have a problem with the automatic transmission cover not clearing the tranny, Bitchin Parts, makes an 18 gauge cold rolled steel transmission cover complete it's a direct bolt-in part and will clear the auto transmission with ease. **NOTE:** Some slight modifications may be needed on the back edge of the tranny cover to fit the 41-48 Convertible cars.

Optima Box	901040	\$99.00

Mounting a battery in a street rod has always created problems, some major and some minor. Our battery box kits will solve most of the problems. The universal mounting brackets supplied with these kits allow you to choose the mounting method which best suits your application, including flush floor mounting, side mounting, or halfway through the floor for extra ground clearance. We offer three kits. The positive battery hold down, adequate ventilation and cable protection give added security to your battery installation.

749100 49-52 FIREWALL KIT
This kit will handle small or big block engines easily.

\$410.00

749100 49-52 CHEVY FIREWALL
(4 1/2" SET-BACK) 26" Wide

These references are to help you decide which firewall kit will best fit your particular application. There are many factors which will affect your choice of kits; engine set-back, radiator core thickness, air conditioning or super chargers. You need to determine the length of the engine package you intend to install and then figure out the distance you have from the back of the radiator core to the stock or existing firewall. To do this you will know how much extra room or set-back you will need. The firewall only fits in one place in the body, but your engine can be moved forward or backward as much as needed to obtain proper clearances. If you have any questions, please call our customer service dept. @ (928) 420-6346.

FRONT FLOORBOARD KITS

749108 FRONT FLOORBOARD KIT
Matches up to 749100 Firewall Kit (goes back to front edge of the stock seat riser for those using stock seats)

BITCHIN

Our Cowl Vent Fillers are made from 18 Gage cold rolled steel and are a little larger than the Stock Cowl so they can be trimmed for a perfect fit. The edges are beveled so the weld area is below surface making it easier for a flush fit. Swap meet the original, and pocket the difference.
